Sonja,

I made a mistake. I am talking about not adding Ord. 2015-06 to the record. Ordinance 2016-06 is a typo on my part.

Please add this email and ordinances to the record except don't add Ordinance 2015-06.

Hello Sonja,

For the record. In LC Reasonable Measures letter attached are several listed ordinances. The letter contains an error.

The reference to Ordinance 2016-06, relating to ad valorem taxes, is incorrect. The correct reference is Ordinance 2016-05, relating to Medium Density Residential Districts.

Please add this email and ordinances to the record except don't add Ordinance 2016-06.

Add Ord. 2016-01, Ord. 2016-003, and Ord. 2015-05.

Gary

Hi Gary,

I thought I sent an email before with a link to the website but it's no big deal. Attached are the ordiances cited in the footnotes. I believe there was a minor typo regarding ordiance 2015-06. Eric correct me if I'm wrong it should be 2015-05. I've attached both. I hope this helps. If you need anything else, please do not hesitate to let me know.

Thanks

Naomi Hansen

Hello Naomi,
Does the City of La Center have its ordinances on line? If not, can you provide us the ordinances listed on page 3 of the attached document?

I will call you this morning as a follow-up to this email.

Hello Eric,
Can you provide us the information below as soon as possible? They are comments from Chris Cook, and are for the record.

As far as La Center goes, material does not need to be attached to the report supplement. Most or all of the proposed ordinances to which the supplement refers were not yet adopted when the supplement was created. Can you get electronic copies of those ordinances to put into the compliance record, please?

I believe the requested ordinances are listed on page 3 of the attached document that is now part of the addendum to the Buildable Lands Report.

Gary
