Hello Rebecca:

Please arrange to have the following comments given to the County Councilors before the November 12, 2019 Council Meeting.

Thank you.

Mark W. Gawecki

Dear Councilors,

Please stop any plans for the Light Industrial Land Bank Development in Brush Prairie. This is the last bit of land in Clark County that is suitable for agriculture. Let's preserve it. Let's put industrial

development in areas already designated for this purpose.

Please heed the wishes of those who will be immediately affected by industrial development. The citizens of Brush Prairie have made it abundantly clear that more industrial development is unwanted.

Thank you for your consideration.
