Comments: I don't know the details of all the documentation, but I agree that the 20 acre ag zoning should be changed to 10 acre ag zoning. There are many people we know that are looking for a piece of property in the country. Most do not want 20 acres, even 10 acres is too large for most. Five acre parcel is what they are looking for. Enough to have privacy, a few animals and to grow a large garden. I think it would be a big mistake to retain the 20 acre minimum ag zoning as it seems some people are proposing
