Hello Chris,
FYI.

I will include this letter (and the letters from Ridgefield and Battle Ground) as an addendum to our 2015 Buildable Lands Report and submit it to Commerce.

Good Afternoon,

Attached is the letter signed by Mayor, Greg Thornton regarding La Center's reasonable measures.

Are you intending to give this to the Commissioners or should I mail a copy as well?

Kind regards,

Naomi,

Please insert the attached Draft letter in city letterhead. When the Mayor is well please ask him to sign the letter and then forward the signed PDF to Mistery Orjiako and Albrecht whose email addresses are above.

Thank you.

Eric
