Hi Everyone,

Here is Battle Ground's set of documents for our record. I assume that the 3 attachments, plus Erin Erdman's transmittal email to Gary, will be adequate for our record as the materials from BG. (Don't put this email or Gary's email to me in the record.)

I've got the items from the other cities as well, and will forward them momentarily.

We will also need to include the county's record documents.

Thanks,
Chris

Oliver,
Attached please find a cover letter and a 2-part document addressing our capacity analysis and reasonable measures. We will plan to attend on Thursday for the Planning Commission meeting. Please let us know if you need anything else from us.
Take care
