**NOTICE OF PUBLIC HEARING
CLARK COUNTY BOARD OF COUNCILORS
NOTICE IS HEREBY GIVEN** that the Board of Clark County Councilors will conduct a public hearing on **June 20, 2017 at 10:00 a.m.**, at the Public Service Center, 6th Floor, Vancouver, Washington, to consider the following:

A. 2016 Comprehensive Growth Management Plan Update Remand:

Clark County completed the update of its comprehensive plan to meet the Growth Management Act (GMA) deadline of June 30, 2016. The plan was appealed to the Growth Management Hearings Board (GMHB) and a hearing on the issues was held February 8, 2017. The GMHB ruled on March 23, 2017 that certain portions of the 2016 plan update had not complied with certain requirements of GMA. The Board will consider recommendations by the Planning Commission on the following proposals as responses to the GMHB ruling:

*** Changes to the comprehensive plan map:**

1. Changing the zoning of AG-10 and FR-20 parcels back to AG-20 and FR-40, respectively, as they were before the update;
2. Changing certain R-10 parcels back to R-20, as they were before the update;
3. Amending the map to provide for three different Rural designations, as there were before the update: R-20, R-10, and R-5; and
4. Removing 17 parcels from the Battle Ground urban growth area, as it was before the update.

*** Changes to the comprehensive plan policy class and text:**

1. Reflecting the proposed map changes above in the comp plan text; and
2. Adding an upper limit to the rural industrial land bank sites sizes.

*** Changes to Clark County Code Title 40, the county's unified development code:**

1. Reflecting the proposed map and text changes above in CCC Title 40; and
2. Amending the urban reserve (UR) overlay such that allowable uses and development standards are those of the underlying district.

B. INTERIM ORDINANCE ON LAND DIVISIONS ON RURAL AND RESOURCE LANDS

The Board of County Councilors adopted Ordinance 2017-04-14 on April 25, 2017 which put a moratorium on the filing, or receipt by County staff, of development applications, including pre-applications, for land divisions pursuant to CCC 40.210.010 and Chapter 40.540 CCC, or zone changes pursuant to CCC 40.560.020, in the AG-10, FR-20, R-5, R-10, and R-20 zones.

By state law (RCW 35.63.200), a public hearing on an interim ordinance has to be held within 60 days "on the proposed moratorium or interim zoning control." The Board will consider at a public hearing what to do about the ordinance.
