Subject: Battle Ground Urban Reserve Request

Hello Oliver,

I've attached the three previous documents that Erin sent to you on May 15.

We have two other documents that should be included into the Record that may be helpful for the Board's consideration on this matter based on their comments at the work session. First, is a letter sent to all property owners within our 80 acre expansion area asking their opinion about the City's intent of request a Urban Reserve overlay on their parcels. Second, is the survey highlighting responses that we received back.

Please let us know if you have any further questions. We'll see you at the Board hearing on this matter, if not before.

Thank you.

Sam
