Dr. Orjiako:

Please consider these comments on the Council's consideration of the PC recommendation that will be before the Council on June 20, 2017. Please enter the comments and attachments for the record. Also please forward them to the Council for their consideration. FOCC believes that the County's actions regarding putting in place R-20 and R-10 buffers for resource lands is derived from the Agri-Forest Task Force majority report and I set forth my reasoning in the letter why those R-20 designations should be reinstated and the PC recommendation followed.

Attached please find a) Comment letter, 2) Memo from you to BOCC dated June 26, 2014 and excerpts from the WWGMHB's FDO in *Achen v. Clark County*.

Thank you for your attention to this matter.

Best Regards,

David T. McDonald
