Dear Sirs and Madams:

Enclosed please find Futurewise's letter supporting returning the 283 parcels that were changed from R-20 to R-10 in conjunction with the resource lands upzoning back to R-20. The is part of CPZ 2017-00023 Comprehensive Growth Management Plan 2015-2035 response to GMHB decision being heard by the Clark County Board of County Councilors on June 20, 2017.

Thank you for considering our comments.
