Subject: For the record on remand

Dr. Orjiako:

Please place these links in the record on remand and the hearing scheduled for tomorrow, June 20, 2017. In the 90s, the County allowed a developer to subdivide property in a forest zone in what I believe now is FR80. I think the development in this area is symptomatic of what happens when lots in a resource area are allowed to be carved into small and smaller units. I bring this up today as I saw that one of these homes was currently for sale and so I pulled the aerial.

Thank you,

David
