

PROGRAM MANAGER II

JOB PURPOSE AND SUMMARY

Program Manager II positions manage a significant program(s) and associated staff that directly impact departments and policies countywide. Incumbents are expected to handle considerable complexity in program budget process and management, and high visibility or impact on significant operations within the County. Incumbents forecast, plan, develop and implement strategies and programs to accomplish goals, priorities and objectives including: managing department resources; developing, interpreting, monitoring, adjusting and implementing policies and procedures; and managing daily operations.

Program Manager II positions provide management services over a division/section/unit or serve as a management team leader, providing supervision and direction. Incumbents represent the department at various events such as: meetings, hearings, training, and bid openings; ensures that department goals, views and positions are served; responds to the most sensitive inquiries and complaints and resolves operational and policy issues.

Incumbent establish precedent for work of the program and at this level care is exercised in evaluating political and policy ramifications in terms of the unit, department, County and program(s). Specific duties vary based on department of assignment and range of responsibilities.

CLASSIFICATION DISTINCTIONS

The Program Manager II is the second level of the Program Manager classification series. It is distinguished from the Program Manager I by the scope and level of responsibilities involved in managing and guiding others in areas of budgeting, establishing effective relationships with executive level decision makers, program development and planning, contracting principles and practices. The Program Manager II role requires advanced expertise in broadly evaluating options, presenting plans, and uniting others in support of programs critical to the goals and objectives to ensure department's success.

Program Manager II is distinguished from Program Manager III positions that typically serve as division heads in the largest County departments with responsibility for delivery of major service areas. Sensitivity to community awareness and handling a political environment tactfully is a function of all Program Manager positions, and the extent of the responsibility is based on the depth and breadth of the position.
